

HOW TO USE THE QUANTUM PENDANT AND THE FLASK

- Quantum Pendant is worn on the body (around the neck) or placed in a wallet and carried in the pants or shirt pocket. Wear it continuously during the day except when showering. (remember it is fragile, so take care) The scalar energy from the pendant works outwardly and within the body. Out -wardly scalar energy enhances the body's bio field. Inwardly it works to facilitate cell permeability and therefore enhances the many physiological functions of the cells in the body.
- To protect from electro magnetic frequencies. Always wear the pendant when using mobile phones, computers and other devices that emit harmful radiation.
- If you do not have any sleep problems, remove pendant when you go to sleep. If you have difficulty falling asleep, place the pendant underneath the pillow or inside pillowcase. If your energy is high at night, you may prefer not to wear the pendant or keep it around you when sleeping. Use it only during the day.
- The pendant can be immersed in water to energise the water, but place it in a little container before placing it in water. A mug of water placed on top or beside the pendant will be scalar energised and ready to drink after 2 -3 minutes. A jug will take 8-10 minutes. While a 15 litre bottle will take 18-20 minutes.
- If putting energised water in a see through container do not put it in the sun as this will not keep the water charged.
- Drink up to 8 glasses of scalar energy water a day for best results.
- Extra benefits with Quantum Pendant –
- To charge and enhance flavour of food – place a fruit or an entire plate of fruits or any other food on top of the pendant or on top of covered food for 8-10 minutes.
- To enhance the flavour of drinks – place bottle of drink on the pendant for 15 minutes. Don't try on beer, champagne or fizzy drinks as it will go flat.
- Headaches - rub the flat side of the pendant on the point of pain and gently massage till the pain has gone. It may take 10 minutes for headache and 20-30 minutes for migraine. Drink lots of scalar energy while doing this. Any localised pain, do the same.
- To massage your body or aching feet. Larger areas use Quantum Flask.
- To remove odour from the fridge, place pendant in the centre of paper and leave in fridge.
- To remove fishy or other odours from fingers and hands rub with pendant and wash with scalar water.
- To energise essentials oils (for massage or aromatherapy) place on to top of pendant. Do the same for skin care products.

Fusion Excel's Quantum Pendant is made from natural minerals that are fused and structurally bonded together at a molecular level. The Quantum Pendant promotes positive flow of energy and helps to maintain energy balance. It helps restore energy that has become weak in the body. By restoring the energy balance in the body this pendant, bracelet, flask helps one to maintain health and well being.

FLASK WATER – QUANTUM FLASK

- Wash open wounds, cuts, bites, infections, stings and itchiness. Soak affected areas in scalar water and if appropriate, massage affected area with pendant to reduce itching/swelling/pain.
- Soak tired feet in warm scalar water.

- Improve thinning hair, hair loss, baldness (provided there are hair roots) as well as for greying hair. Use scalar water for final rinsing after shampooing and conditioning hair.
- For eczema, psoriasis, tinea and other skin conditions, bathe and spray often over affected areas with scalar water.
- For tired eyes, soak cotton pad in scalar water, wring out excess water and place over closed eye lids. You can also rest the pendant over the cotton pads.
- Pour scalar water into a dark spray bottle and spray on face as a pick me up as well as to improve the complexion.
- Your pets, plants and cut flowers will also benefit from scalar water.
- For bee stings, pimples, rashes, herpes, cold sores, warts soak cotton wool in scalar water and hold over affected area for as long as possible. Repeat several times a day if necessary.
- Before using the flask rinse with hot water and then fill with normal drinking water (not hot)
- Note: When the pendant is worn initially, some people may experience a natural detox.
